2017 Expenses and Revenue

In 2017 the operating and capital expenses, excluding the organ, were \$11,962,000; of which almost \$3 million were attributed to the Choir School. These Choir School expenses included costs for Education, Repairs and Maintenance, Administration, and Professional and Support Services. Pledges to the Annual Appeal accounted for 14 percent of our revenue, an increase of 1.5 percent over last year. We still had to depend heavily upon withdrawals from invested funds. The goal of the 2019 Annual Appeal is to continue to grow the percentage that pledges contribute to the budget, thereby decreasing the amount needed from invested funds.
