## 2016 Expenses and Revenue

In 2016 the operating and capital expenses (excluding windows and organ) were \$12,958,000; of which almost \$3 million were attributed to the Choir School. These Choir School expenses included costs for Education, Repairs and Maintenance, Administration, and Professional and Support Services. Approximately 12.5% of revenues came from our pledges, making it necessary to depend heavily upon withdrawals from invested funds. The goal of the 2018 Annual Appeal is to build greater financial security for Saint Thomas by growing the percentage that pledges contribute to our revenue, thereby decreasing the amount needed from our invested funds.
