Saint Thomas Choir School

Do you know a boy who loves to sing?

Founded in 1919, the Saint Thomas Choir School is the only boarding school solely for choristers in the United States, and one of only three schools of its type remaining in the world today. The Choir School offers a challenging pre-preparatory curriculum, interscholastic sports, and musical training for boys in grades three through eight. Following graduation, boys move on to highly competitive independent boarding and day schools across the country.

The Saint Thomas Choir School is committed to training and educating talented musicians without regard to religious, economic, or social background. Generous financial aid is available to all successful applicants. Inquiries from interested families are sought throughout the year.

The Gentlemen of the Saint Thomas Choir are professional singers; the Boy Choristers attend the Saint Thomas Choir School. The Saint Thomas Choir of Men and Boys is represented by Karen McFarlane Artists, Inc. and records exclusively for Resonus Classics.
